

WANT TO HELP NWTA FOR FREE?

WHAT. We recently enrolled in the Fred Meyer community rewards program. This means NWTA can benefit from your everyday shopping. Every quarter, Fred Meyer will donate a certain amount to Northwest Trail Alliance based on the cumulative spending of our members.

WHY. This is a great way for our organization to gain profit, and don't worry, this will not effect you at all. All fuel points, rewards points, and rebates will stay the same. This is basically a way for our organization to get FREE MONEY. Depending on the amount of members and non-members registered, we will hold a member appreciation party and ride.

HOW. The process of linking your Fred Meyer card to NWTA is hardly a process. Just sign into your Fred Meyer account, then click "My Account" in the upper right hand corner. This page should say "Account Summary". Scroll to the bottom where it says "Community Rewards". Click "Enroll", and type either "Northwest Trail Alliance", or our organization number "91960". Click the name, and then press "Enroll"! Thank you for your NWTA support!

WHAT. Amazon Smile. It is the easiest way to help NWTA. When ordering anything on Amazon, log into smile.amazon.com and chose a charity! It works the same as regular amazon, but amazon will donate a portion of the proceeds to our cause.

WHY. This is the easiest way for us to gain revenue and improve this organization. This means more fun events, raffles, and freebies!

HOW. Search Smile.Amazon.com. Under the search bar, click "supporting". Scroll down to "click your own charitable organization". If you search "Northwest Trail Alliance", we should be the first result. Next, click select on the right side. It is as simple as that. Continue to shop using the "Smile" site and help us grow!
